Cleveland Pierogi Week creates such strong, that we decided it needed its own little man

1 They will run out

We expect that these restaurants will be extremely busy. So, if a place runs out toward the end of a shift, handle it like an adult: go back the next day, earlier, order your pierogi, and thank them for working so hard. Please be nice to our restaurants.

2 There will be waits

People have been talking about Cleveland Pierogi Week 2022 for weeks. Don't be surprised if restaurants have waits. In fact, be surprised if they don't.

3 You will tip like a pro

\$7 pierogi brings out the cheap in all of us, but, really, you're getting a \$12+ pierogi (many restaurants go way overboard with ingredients, trying to outdo each other), so please tip generously. A kind word will also be welcome — these people are our friends and neighbors.

4 You really should buy a drink and/or other food

The purchase of sides and extras is not a requirement. But we think it says a lot to those working hard to bring you an extraordinary experience. Grab some sauerkraut, and a beer!

5 Check Facebook & Instagram

Restaurants are encouraged to post their waits and remaining pierogi for the day. Go to pierogiweekcleveland.com and don't forget to tag your Instagram photos with #ClevelandPierogiWeek.

6 Dine-in and Take-out options

While Pierogi Week was designed to be dine in only, with the current state we are encouraging restaurants to offer take out options as well. Many locations will be offering both dine in and take out, however, make sure to double check the Official Pierogi Week Passport to confirm which locations offer carry out and which locations are dine in only.

THANK YOU!
